What is the Kids Bike League?

Discover the world of mountain biking in a fun environment with the Kids Bike League, a program created especially for the mini-bikers of Verbier.

During the afternoons this summer, learn to tackle the obstacles in our specially adapted bike league area in style with the help of our experts. Soon you'll be able to do jumps or even attempt some courses in the Verbier bike park !

Marmotte

I'm **3 or 4 years old** and I've been on a bike, with or without pedals, just a few times. I want to improve my basic skills in a fun environment.

Aim : for my bike to become my friend.

Chamois

I'm between **5 et 7 years old** and I already feel safe on my bike on easy terrain. I would like to improve my skills and dare to try more challenging obstacles.

Aim : to have even more fun on my bike and have confidence everywhere.

Bouquetin

I'm between 8 and 12 years old and I can almost ride blindfolded. I want to master more difficult terrains and obstacles and improve my control on the bike.

Aim : to be able to go with my parents on their biking trips.

The Kids Bike League is open every afternoon between the 4th July and the 22nd August, from Monday to Friday.

Lessons are from 1.30pm to 3pm, at the leisure park in Verbier.

You can find more information and prices on our website: www.essverbier.com

Or give us a call : +41 (0)27 775 33 63.

Equipment Kids Bike League :

Bike, helmet (obligatory), and clothes depending on the weather.

**Booking
necessary !**
